CLARIFIED COCKTAIL

Ava carefully batches this unique cocktail using the historic Milk Punch Method.

ROTATING SMALL-BATCH FEATURE | 16

The milk proteins act as a natural filter, pulling out solids and harsh edges. After days of precise filtration, the result is a refined drink that's silky, smooth, perfectly balanced—and unlike anything you've ever tasted. Trust us.

Every cocktail on this menu is an *original creation* by **Ava Vitale**, Co-Owner and Bar Manager of Crave Kitchen & Cocktails.
